

Essential Eligibility Criteria

Henry Horton State Park

Mammals of Tennessee

Program participants should be able to do the following, independently or with the assistance of a companion or adaptive equipment:

- Understand and follow directions in order to avoid startling the reptile, which may lead to injury of others
- Tolerate exposure to the elements, including hot temperatures for up to one (1) hour
- Perform self-care including maintaining nutrition and hydration, personal hygiene, and managing existing medical conditions
- Maintain distance of 5 feet from the presenter unless otherwise stated by the presenter
- If allowed by presenter: When touching the pelts and skulls, be gentle to ensure the preservation of the pelts

Should you need additional assistance to participate, please contact the park or visit our website.
